Over the last weeks we at Paréa have been presenting our partners to you and celebrating all that they bring to our shared space.

Today we'd like to introduce to those who don't know @leavenoonebehind2020 #LeaveNoOneBehind stands for a solidarity movement at the European borders and beyond.

They offer a platform to solidarity projects, support aid organizations and step in wherever people would otherwise be left behind.

Due to the extremely confusing and chaotic situation on Lesbos after the fire of the Moria camp, LNOB decided to set up a small and agile team on the island.

Since then, a structure has been created and together with people on the move they now organise, various distributions of donations including clothing, hygiene products and more.

Today at Paréa they offer a variety of services:

Laundry 10am - 3pm
Clothes Distribution for children, women and men 10am - 3pm
Free Shop 10am - 3pm

We are so thankful for all the vital work they do at Paréa and for all that they bring to the community.

A New partnership with Indigo Volunteers and Europe Cares at Paréa Lesvos. 🤝

We are so happy to announce our new partnership with [@indigovolunteers](https://www.instagram.com/indigovolunteers).

A bit of information about what they do!

Indigo Volunteers was founded in 2012 to challenge the exploitative practices of for-profit volunteering agencies.

They aim to ensure that volunteering remains true to its core humanitarian purpose: people helping people. That's why they partner with grassroots, non-profit charities that are positively dedicated to supporting displaced communities.

They support projects like Paréa Lesvos by helping to improve their volunteer management and develop their operations by sharing resources, offering connections and providing welfare support.

A bit about Europe Cares and their work at Paréa Lesvos.

Europe Cares supports people on the move on the European external borders.

In Greece Europe Cares runs the community centre Paréa Lesvos, a welcoming environment for the community residing in Kara Tepe camp. Paréa Lesvos provides a safe space for people on the move and is a home for 10 other organizations offering a wide range of services and activities.

The Europe Cares team offers free drinks and lunch at the cafe, and engages the community with the Women Space and the Playhouse through games, sports, community events, and a lot more. This wouldn't be possible without our volunteer team!

Once again we are proud to begin our partnership with Indigo Volunteers. ❤️

Over these last few weeks we at Paréa have been presenting our partners to you and celebrating all that they bring to our shared space.

Today we'd like to introduce to those who don't know @intersos_hellas

INTERSOS is a humanitarian organization on the front-line of emergencies, bringing assistance to victims of armed conflicts, natural disasters and extreme exclusion with particular attention to the protection of the most vulnerable people.

Since 1992 their humanitarian workers have been helping people affected by humanitarian crises: They provide first aid, food, shelter, medical assistance and basic goods. They ensure that basic needs, as education, access to clean water and health assistance, are met.

They have been working in Greece since 2016 and in September 2020, following the fire that destroyed the Moria camp, INTERSOS intervened with an emergency team, first supporting displaced people with food and basic necessities and then implementing protection activities for vulnerable women in the new camp set up by the government.

Here at Paréa Intersos offer regular sessions on different mental health topics to adults.

We're very happy to house this important work at Paréa! ❤️

BBQ at Paréa! 😊

Thank you so much to everyone who came to the BBQ at Paréa yesterday.

With the support of our amazing partners @doroblancke @leavenoonebehind2020 @yogasportwithrefugees @makerspace_lesvos we managed to organise a BBQ for 400 people.

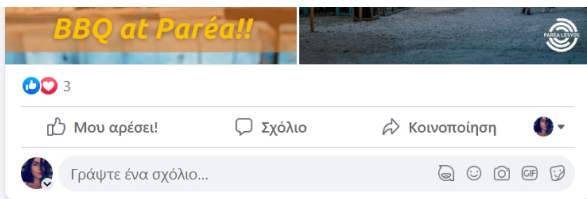

Thank you to our brilliant chefs who cooked up hundreds of tasty lunches.

This would not be possible without the shared efforts and enthusiasm of each and everyone in the Paréa community.

Keep your eyes open for our next big event. 👁️

 @circuslesvos

Since June 2021 they have been leading circus workshops and organizing performances on the island. They are just as active in Greek schools as they are within the refugee community.

With their circus pedagogical work they not only strengthen the physical abilities and social skills of the children and young people, but also enable them to exchange experiences.

Their work trains the participants to express their feelings, thoughts and concerns through circus, dance, theater and music.

They offer open sessions here at Paréa every Tuesday & Friday 11am - 2pm For everyone who wants to Join.

We're so happy to have them as a part of our Paréa family. ❤️

It was amazing to have you with us 🎨

20 Οκτωβρίου 2022 · 🌍

🔥 Last Friday during the day, we attended a community center party at [Paréa Lesvos](#). It is around a 20-25 minute walk from the refugee camp on Lesvos and over 400 people attended the party.

👤 Silvia, the Field Coordinator of Paréa said this: "Having the Red Noses at our latest Paréa party was amazing!

👉 Children running around in a party hat, adults queuing for their lunch, volunteers working hard to make the party happen... nobody could help but laugh when the clowns were around. Spreading so much joy and cheerfulness around, making our community center even more colorful and fun. Thank you, RED NOSES; we hope to see you again soon!"

Nähprojekt auf Lesbos 🧵 📄

Einer unserer Trucks brachte gesammelte Spenden für ein Nähprojekt, das [Paréa Lesvos](#) dort für schutzsuchende Menschen anbietet, nach Lesbos.

Wir schickten dafür unter anderem Nähmaterialien und Nähmaschinen, die dort nun super zum Einsatz kommen.

Wir sehen die Arbeit und das Projekt als sehr wichtig an und sind froh, dank eurer Spenden unterstützen zu können! ❤️

Das Projekt lebt hauptsächlich von zahlreichen Frauen und Jugendlichen und ist ein Raum der Begegnung und des Zusammenseins. Einerseits kann bei den gemeinsamen Nähstunden etwas voneinander gelernt werden und andererseits gibt es den Menschen eine Aufgabe und die Möglichkeit etwas für sich und andere tun zu können. Die Teilnehmer:innen werden kreativ, entwerfen und nähen schließlich eigene Kleidung, die danach getragen werden kann.

Jetzt wo eine Nähmaschinen-Station aufgebaut wurde, kann es richtig losgehen. 🙌

At Paréa we have many wonderful partners who help make our space what it is. Over the next few weeks we will be introducing them to you!

Today we are happy to present our partners Medical Volunteers International (MVI) and to be able to give a brief introduction to those who are unfamiliar with their work.

In 2016 MVI first started offering medical aid in Thessaloniki & Athens and in 2018 they opened their clinic on Lesvos inside what was at the time called One Happy Family Community Center. (OHF)

Today MVI offers psychosocial group sessions to children aged 2 1/2 - 17 helping them understand, express, and regulate their emotions. These group sessions also allow the children to develop their social skills.

Parents are also offered support and help with MVI addressing their concerns.

MVI operates Tuesday - Friday 10am - 3pm.
They offer sessions in Somali, Tigrinya, and Farsi.

Hello!

My name is Martin, and I am the technical coordinator at Paréa Lesvos! I have been working here since March. As technical coordinator, some of my duties include general maintenance – electricity, water, and internet – and to develop the space for our visitors and partners.

I like that the center is here to help all people and getting to meet and work with amazing visitors and volunteers.

If you see me working around the center, come say hello! And if you need any help, let me know 😊
